\$600 Well Credit
per year!**

Build a better you

VIRGIN PULSE WELLBEING PROGRAM

The Virgin Pulse wellbeing program helps you achieve your health goals with a fun and engaging experience that delivers powerful resources right to your fingertips.

Who can participate?

Employees and spouses are invited to join.

How to join

- Go to join.virginpulse.com/maritz
- Accept the terms and conditions
- Download the Virgin Pulse mobile app from the App Store or Google Play

Don't miss out!

To get the most out of your mobile experience, go to your phone's settings and turn on notifications for your Virgin Pulse app. You'll get encouraging reminders and learn about upcoming opportunities like team challenges and more.

Getting started

You've joined and signed in—now what? Begin by completing your profile and telling us a little bit about yourself. Then start building healthier habits one day at a time. Here are a few options to help you get started.

Personalize your experience

Go to the **More** tab and discover the many ways you can customize your wellbeing program. Connect your activity tracker or another wellbeing app and set your topics of interest to make your experience focus in on what matters to you most.

Complete the Health Check

The Health Check asks questions about your current health status and wellbeing habits. Once completed, you'll see your health score, learn about possible health risks and get practical tips to help you maintain and improve your wellbeing. You'll find the survey under the **Health** tab.

Track your Healthy Habits

Healthy Habits offer you bite-sized ways to build a healthy routine and improve your wellbeing. Over time, these small steps add up to big changes that'll make you successful. Your Healthy Habits will be customized based on your Health Check results and the interests you set in your profile. Go to **Healthy Habits** to change up the habits you try over time.

Biometric screening

Full-time employees enrolled in the medical plan, and spouses if applicable, can each earn up to a \$600 Well Credit. Complete the complementary screening at a Quest Diagnostics Patient Service Center, at an onsite event or by visiting your physician and returning the completed Health Screening Form. Screenings must be completed between June 1 and September 30. If you were hired and/or enroll in the plan after May 31, 2023, you and your spouse are exempt from participating in the 2023 biometric screening and will automatically receive the \$600 Well Credit.

Coaching

Looking for additional help? Try personal coaching for one-on-one support, practical guidance and answers to your questions. Connect with a coach to set goals, overcome obstacles and get constructive advice. Go to the **Health** tab and choose **Coaching** to get started.

Rewards

Full-time employees enrolled in the medical plan can earn up to 300 Confetti Points per year for participating in activities. Start off by completing the Health Check survey to unlock your points!

For a full list of ways to earn, sign in and go to **Rewards > How to Earn**. Check out some of the ways to earn Confetti Points below.
