

The JPMorgan Chase U.S. Medical Plan: Travel Benefit Program (effective July 1, 2022)

Under the JPMC U.S. Medical Plan, a travel reimbursement benefit is available to enrolled members in connection with covered services for which there are **no** available in- or out-of-network providers or facilities for the service to be provided within 50 miles of your home.

- If the only providers within 50 miles are out-of-network providers, please contact customer service at 1.800.790.3086 for information on Cigna's Network Adequacy program.
- Generally, the travel benefit will pay only for travel to the nearest in-network provider or facility, subject to the Plan's network adequacy rules.

- Minors traveling for services must be accompanied by an adult.
- You will be responsible to pay expenses and will be reimbursed as claims are submitted. All reimbursement checks will be issued to the JPMC employee enrolled in the Plan.
